

# Glastender®

## COCKTAIL PREP COOLER

# Features

Inspired by the Cocktail Life Cycle and all that embodies a truly sublime cocktail experience. Refrigerated mixology well, garnish station, and high-capacity drawer offer unparalleled freshness and efficient bar service.

## One of a Kind

Cocktail prep space with self-contained refrigeration is first in its class. The work surface features a refrigerated mixology well for (8) 480mL elixir bottles for mixers and fresh juice, a refrigerated garnish station for (6) 1/9 pans of garnish, and a drink rail surface with removable perforated insert and cutting board.

## Compact Design

24" linear footprint for maximum efficiency. Craft cocktails without taking a step when designed next to an ice bin.

Insulated Night Cover

Slide-out Rack

Bottom of Drawer

## High-Capacity Refrigerated Drawer

Locking drawer offers convenient, refrigerated storage for up to (21) 750mL bottles of soda, vermouth, and other mixers. Drawer also features a slide-out rack to hold an additional (6) 1/9th pans with lids.

## Fresh Overnight

An insulated night cover keeps ingredients super fresh overnight and can be stored inside the cooler drawer when not in use.
